Royal Flower Collection 2015

Compact Powder

Motif: The Madonna Lily
A symbol of purity.

Inspired by the Madonna Lily, this powder creates translucent, elegant skin just like the pure white flower petals.

Compact Case

Designed with the impression of Madonna lilies in bloom. Light up your soul with delight each time you pick up this glamorous, classic case.

Puff

Infused with hyaluronic acid and collagen.
Feels soft and moist on the skin.

[Product Features]

- A compact powder that combines the coverage and lasting effects of pressed powder with the soft-focus effect of loose powder. Grants skin a soft, finely-textured translucency with a long-lasting effect.
- Unique formula that creates bright, translucent skin.
- Gold Powder: Gives sophisticated radiance, shine, and firmness.
- Bouncy Skin Powder: Imparts an excellent soft focus effect, creating the impression of airy, bouncy skin.
- Beautiful Skin Powder: Made up of fine, tabular powder particles that covers up dullness and balances skin unevenness.
- Amino Acid Powder: A highly adhesive compound that mimics components of the skin, this powder adheres well over skin for a hydrated, translucent finish.
- Pearl Powder: Grants a subtle rosy complexion and brightness.
- Plant-based Powder: Spreads with a soft, smooth sensation.
- SPF25/PA++ for protection against UV rays, while preventing blemishes and freckles caused by sunburn.
- Comes with a compact case for convenience.
- Gently scented.

[Compounded Ingredients]

- Powder that imparts firmness and shine** ● Gold Powder
- Ingredient that covers dullness and uneven coloring** ● Beautiful Skin Powder¹
- Ingredient for a soft-focus, airy effect** ● Bouncy Skin Powder²
- Ingredient for excellent blending ability** ● Amino Acid Powder³
- Ingredient that smoothes the skin** ● Plant-based powder [cellulose]
- Plant-based moisturizing ingredient** ● Madonna Lily root extract / plant-based squalane

[Usage Instructions]

- Use as the final step of your base makeup routine, or when touching up your makeup mid-day.
- Pick up an appropriate amount of powder with gentle strokes of the puff. Tap any excess powder off onto the back of your hand, and spread over your face in light, sweeping motions.

¹ Titanium oxide and mica

² Vinyl dimethicone / methicone silsesquioxane cross polymer

³ Lauroyl lysine

INFINITY
KOSÉ

Creating beautiful skin of utmost purity, unrivaled by any other.

For airy-soft, translucent skin that radiates from within.

Gold Powder

Covers dullness while granting radiance, creating the impression of healthy, firm skin.

Madonna Lily Root extract

An antioxidant ingredient that can eradicate free radicals. Protects the skin's moisture throughout the day.

Bouncy Skin Powder

Feels comfortable on the skin while thoroughly covering pores with an airy, soft touch.

Generic powder

Bouncy Skin Powder

Amino Acid Powder adheres smoothly to create fine-textured skin

A hexagonal tabular powder made with natural amino acids that mimic the main component of the stratum corneum

Characteristics

1. A soft cosmetic veil that blends excellently over skin without feeling heavy
2. The appearance of fine-textured, translucent bare skin
3. The powder glides extremely smoothly and sits evenly over skin

Amino Acid Powder

A light, airy feeling
Long-lasting, with excellent coverage

Comprised of a honeycomb structure built with hexagonal particles

Generic powders

Feels heavy on the skin
Wears away easily and has poor coverage
